Consent Agenda

Dana (DRC2013-00071) – The SCAC recommended approval of a minor use permit to allow the addition a second home 350’ away from the primary unit (distance waiver).

Porter Enterprises (DRC2013-00062) –

Representatives of Porter presented a project to drill four test oil wells on existing pads for up to one year. The item was tabled due to the need for further information.

Opponents to the proposal requested an opportunity to make a presentation at a future SCAC meeting. The Huasna Group also invited the SCAC on a tour of the area that is adjacent to the project site. Marcia Burt who's ranch is 1/2 mile from the project site, will host the tour on Wednesday, April 2nd at 10AM. Four SCAC members have signed up for the tour so far.

By Direction of the South County Advisory Council,

Art Herbon, Corresponding Secretary
