Dear Supervisor Compton:

The SCAC took the following action at its April 27, 2015 meeting:

Promesa LLC: DRC2014-00122 – 1049 Dawn Rd, Nipomo – APN: 091-232-030. A proposed conditional use permit for a wireless communication facility with a new 100-ft monoecalyptus, 35 x 40-ft lease area, 8-ft chain link fence, prefabricated equipment cabinet, two GPS units, standby generator, electrical meter, twelve 6-ft panel antennas, nine RRHs, and four raycaps.

Ms. Tricia Knight, agent for Verizon, presented this project. Based upon a recommendation from the Land Use Committee, Ms. Knight acknowledged that she had contacted all neighbors within 300-ft of the property for input and did not receive any negative responses. The Council recommended approval of this project.

This was the only project reviewed at this meeting.

On behalf of the South County Advisory Council,

Richard Wright,
