

SOUTH COUNTY ADVISORY COUNCIL

PO Box 2355 Nipomo, CA 93444-2355

May 24, 2017

Supervisor Lynn Compton, 4th District Supervisor
County Government Center
San Luis Obispo, CA 93408

Dear Supervisor Compton:

On Monday, May 22, 2017, it was confirmed to the South County Advisory Council that Viva Farms would be allowed to extend the use of its nine (9) non-permitted buildings from the original demolition date of June 30, 2017 to December 31, 2017.

This is the latest equivocation by the County in holding Viva Farms to appropriate community standards and sends a negative message to all of the impacted neighbors that the County will not enforce its regulations. The disturbing activities at Viva Farms have been extended far too long and the Council is unanimously disappointed and distressed by the County's failure to act in a timely manner.

The Council strongly recommends that Viva Farms be held to the December 31, 2017 deadline to raze the non-permitted buildings on its property.

On behalf of the South County Advisory Council,

Richard Wright,
Correspondence Secretary

Cc: Marvin Rose, Interim Director, Planning & Building Department
Art Trinidad, Code Enforcement Supervisor
