Public Comment Need for a snag removal on Pomeroy near the park. There are still some concerns about the light timing at Tefft and Mary.

Old Business

- 1) Status of Willow Road projects.

Phase I is nearly finished and has been accepted for approval. Phase II is on schedule.

- 2) Has the traffic study for the Community Clinic been completed and if so, what are the conclusions?
Report is not available yet.

- 3) Is there an accident report available for the first curve at the top of the hill on Division Road between Los Flores and Riverside Road.

Ryan Chapman suggested that we phone Public Works about each accident.

- 4) Proposed no parking zone on Southland near Honey Grove.
Not discussed

New Business

- 1) Proposal for a loading zone on the south side of Tefft between 101 and Oak Glen.

Local businesses and residents support this proposal. Some cars parking for sales purposes. Motion to approve made by Bonnie Eisner and seconded by Clyde Cruise. Motion carried unanimously.

- 2) Proposed traffic circle at SR 1 and Halcyon.

Proposal would take some property from the propane supplier and require about 1.5 acres with a cost of 5.6 M\$ consisting of 1.5 M\$ from ?????, 0.8 M\$ from the Cypress Ridge account, 1 M\$ from Proposition 1B.
