**Thursday, July 13<sup>th</sup>, 2017, at the NCSD Board Room at 148 South Wilson**

**10:00 to 12:00 am**

Present: Peggy Cox, Clyde Cruise, Bob McGill, Dan Woodson, Dick Wright

Supervisors Office: Caleb Mott

Public Works: Michelle Matson

Public: Mike Berry

Public comments: Impaired sight distance at Willow and Thompson. Junk and parking problem at North Frontage and Grande.

Old Business:

- a) Is the Contractor's schedule for the paving contract available.  
A paper copy has not been made available.
  
- b) The new lamps for the Old Town streetlights look much more intensity consistent and there is less glare

New Business:

- c) Are there any changes to Willow signage due to recent studies?  
Changes have been made although, there have been no further changes to the speed limit. The community is quite pleased with the result.
  
- a) Several accidents at Camino Caballo and Waypoint have been indicated. What does the record show?  
There have been only two accidents in the past five years. An all-way stop is not warranted.
  
- b) What is the status of the traffic safety study on Camino Caballo?  
Same as above.
  
- c) Is any progress being made on the proposed improvements for the intersection of Los Berros and Dale Road?  
Project is shovel ready and awaiting a secondary source of funding.
  
- d) Tefft Street Interchange offramp proposal.  
Project consists of providing double lanes for the offramps, a dedicated right turn lane for the northbound on ramp and elimination of the left turn movement from northbound North Frontage. PID, PA&ED and PSE have been approved for 2017 funding.
  
- e) There is a 1-1/2 inch, longitudinal, vertical and horizontal separation of pavement between 1042 and 1160 Mesa.  
This was being prepared during the meeting.
