## OLD BUSINESS

1. Workforce Housing Ordinance and Design Guidelines - Amend Title 22 of the County Code to incorporate a Workforce Housing Subdivision Ordinance. Adopt Workforce Housing Subdivision Design Guidelines intended to encourage development of workforce housing subdivisions that are affordable to the County's workforce.
  - Land Use Committee expressed concern regarding the increased population concentration of low income housing with the absence of an adequate public transportation system and inadequate parking spaces.
2. Residential Vacation Rental Ordinance (LRP2015-00007) -Ordinance amendments governing residential vacation rentals in the inland part of the county (already existing in Coastal Zone ordinance). The purpose of these amendments is to address neighborhood compatibility concerns and community character impacts associated with vacation rentals in residential neighborhoods and rural areas. Of particular concern are impacts from events (weddings, reunions, etc.) at vacation rentals. The proposal would disallow these events unless they obtain land use permits.
