3. DRC2015-00101 BAKER – Proposed conditional use permit / development plan for a self-storage facility at 2710 Willow Road, Arroyo Grande. Applicant Todd J. Plastino presented that: he will close Escrow about May 15th; he owned the adjacent property and that it was already functioning as a self-storage facility; he has a Will Serve Letter from the Woodland Park Mutual Water Company; septic service is already on site; drainage and grading plans have been completed; there may be a requirement from Cal-Trans to install a left turn lane on Willow; and that drought tolerant landscaping would be used throughout. Land use committee recommendation: **Motion - Advise approval of DRC2015-00101.**

## OLD BUSINESS

1. Workforce Housing Ordinance and Design Guidelines - Amend Title 22 of the County Code to encourage development of workforce housing subdivisions affordable to the County's workforce.
  - Land Use Committee recommends that SCAC not support this change due to increased population concentration allowed by the proposal (1,000 sf lots), combined with the absence of an adequate public transportation system and reduced parking space requirements.
2. Residential Vacation Rental Ordinance (LRP2015-00007) - Amends how the county governs residential vacation rentals. Addresses neighborhood compatibility concerns and community character impacts associated with vacation rentals in residential neighborhoods and rural areas. Of particular concern are impacts from events (weddings, reunions, etc.) at vacation rentals. The proposal would disallow these events unless they obtain land use permits.
  - On March 25th SCAC voted to continue the item to the April meeting so a staff presentation could be heard before taking action.

## NEW BUSINESS -
