“The mission of the South County Advisory Council ("SCAC") is to provide a forum for citizen involvement and information on issues which affect the greater part of the Nipomo Community. The SCAC seeks to achieve sound community planning and development of the Nipomo and Nipomo Mesa area through consideration of social, technological, environmental and political impacts and to advocate measures to promote a safe environment for our citizens and visitors. The SCAC:

- Holds public meetings and surveys community opinion
- Speaks for the community to the BOS and is authorized by statute to advise BOS on matters of public health, safety, welfare, public works, and planning
- Acts as clearinghouse for local, state, and federal funding for community projects
- Coordinates with community organizations and other local governmental bodies

Anyone wishing to make general comments or comments on a specific project, please wait to be recognized by the chair, direct your comments to the council, and stay within your allotted time. Everyone in attendance please be respectful to everyone else in the room and allow each person to have their turn without interruption.
