I am hereby requesting a vote-by-email regarding Barbara Verlengiere and Gary Spelbring. Barbara has requested that we rescind her appointment to SCAC's Area 6 (last meeting's vote), provided that Gary Spelbring is still willing to fill the position. Gary has agreed that he is eager to do so.

In order to follow our bylaws, I am hereby requesting your vote by email to approve the change. Voting will be open for 72 hours ... until 9 AM July 27th.

Gary has also indicated a willingness to take an officer position, which we can discuss outside of this email string.

I've had a few questions regarding why Barbara is withdrawing. Please feel free to contact Barbara (she is cc'd) for more information regarding her decision .

Please vote 'yes' if you would like to immediately instate Gary. Vote 'no' if you wish to reject the appointment, or wish to postpone the vote until the next open meeting.

I will post this email on the SCAC website so it is available for the public to see.

Best Regards,
