Dear Supervisor Ray,

The following is a brief summary of actions taken at the August 25, 2014 meeting of the SCAC (official minutes will be issued by the Recording Secretary after approval):

DRC2013-00103 – STONEBURNER – Proposed MUP for oversize garage

Mark Stoneburner presented a request to modify an existing structure on his property (575 Highland Hills Drive, Nipomo). The existing structure is 4,520 sf with living space in part of the structure. The owner seeks to modify the structure in order to get it permitted.

The SCAC approved a motion to advise approval of the permit, provided that the structure cannot be used as a residence.

Proposed By-Law Change, 2nd Reading – Endorsing Candidates

The SCAC reviewed a proposal from a prior meeting that was intended to restrict SCAC members from representing the SCAC in endorsing political candidates. The proposed wording was: "A SCAC member may individually endorse candidates as a Council Member but cannot be publicly identified in any manner that could be construed as representing the SCAC".

The proposal was tabled after the SCAC was unable to get a second to the motion for accepting the proposal.

By Direction of the South County Advisory Council,

Art Herbon, Corresponding Secretary
