Supervisor Lynn Compton, 4th District Supervisor
County Government Center
San Luis Obispo, CA 93408

Dear Supervisor Compton:

The SCAC took the following action at its April 23, 2018 meeting:

CFAM MANAGEMENT – DRC2018-00019 - Proposed Conditional Use Permit for indoor cannabis cultivation and cannabis nurse in an existing 250,344 square foot greenhouse located at 887 Mesa Road in Nipomo. APN: 091-281-083. Lisa Bugrova of Kirk Consulting made the presentation for the project. The following discussion included questions from the Council and the audience and answers from the presenter. The first motion recommended approval of the project but failed on a split vote of 4-4. After additional discussion, a second motion to table the project until the next SCAC meeting was approved. The intent of the Council is to allow the presenter time to gather further information to respond to questions regarding water usage, security and the currently uncompleted traffic study.
