Dear Supervisor Compton:

The South County Advisory Council held an in-person meeting on Monday, April 25, 2022, at 6:30 p.m. at 148 S. Wilson Street in Nipomo. During the meeting the Council took the following action:

Coastal Development – C-DRC2022-00004 – A request for a Minor Use Permit by the Coastal San Luis Resource Conservation District for Oso Flaco Creek sediment reduction and pesticide remediation (within the Oso Flaco Creek Corridor and adjacent private agricultural lands). Removal of sediment contaminated with pesticides from 1.2 miles of Oso Flaco Creek while concurrently implementing upstream sediment controls designed to capture and remove sediment before it enters the creek. The project scope includes three components: (1) sediment control Best Management Practices (BMP), (2) sediment excavation from the creek channel, and (3) on-site sediment remediation. MND/Initial Study has been prepared (State Clearinghouse No. 2021040611). Project prepared by The Coastal San Luis Resource Conservation District for the State Water Resources Control Board. APN(s): 092-021-028, 092-021-027, 092-021-026, 092-021-025, 092-391-019, 092-011-017, 092-011-018, 092-011-019, 092-011-020.

After the presentation and question and answer period, the Council voted six in favor, one opposed and one abstention to recommend approval of this project.

On behalf of the South County Advisory Council,
