Dear Supervisor Compton:

The South County Advisory Council resumed its in-person meetings on Monday, July 26, 2021 at 6:30 p.m. at 148 S. Wilson Street in Nipomo. During the meeting the Council took the following action:

CANNA ORGANIC – DRC2019-00049 – A proposed Minor Use Permit for 22,000 square feet of indoor cultivation, 5,500 square feet of indoor ancillary nursesey, and a 1000 square foot structure for processing and ancillary transport. The project is located at 514 E. Tefft Street, Nipomo, CA 93444 APN: 090-051-042.

In its July 26, 2021 meeting, the Council had previously reviewed this application and tabled it while requesting additional information regarding the density of cannabis projects in the area and appropriate notification of neighbors. During this session's presentation and question and answer period these issues were again discussed. The Council subsequently approved a motion recommending approval of the project by a vote of 4 to 2.

On behalf of the South County Advisory Council,

A handwritten signature in black ink that reads "Richard Wright".
