Are there significant concerns, problems or impacts in your area of review?

If Yes, please describe the impacts along with any recommendations to reduce the impacts in your response.

If your community has a "vision" statement in the Area Plan - does the community, feel this project helps to achieve that vision? If No, please describe.

What does the community like or dislike about the project or proposal?

Is the project compatible with surrounding development, does it fit in well with its surroundings? If No, are there changes in the project that would make it fit in better?

Does the community believe the road(s) that provide access to the site is(are) already overcrowded?

Does the community wish to have a trail in this location?

If the proposal is a General Plan Amendment, does the community feel the proposed change would encourage other surrounding properties to intensify, or establish intense uses that would not otherwise occur?
