

Agenda

Traffic and Circulation Committee Meeting Thursday, January 10th at NCSD, 148 South Wilson 9:00 to 11:00 am

Public Comment (three minutes each)

Old Business

- 1) Results of discussion/tour of Osage with Parks and Recreation – Dale Ramey
- 2) What is the status of the creative funding scenarios for Willow interchange – Dale Ramey
- 3) Updates on completion of Mary, Agreement with King Ventures, Halcyon betterment, Los Berros/Thompson improvement and Pomeroy realignment – Dale Ramey
- 4) Someone in the community has suggested the following:
 - I. 101 southbound on-ramp - close down the current 101 southbound on-ramp at Tefft and open the new on-ramp at Hill as planned.
 - II. 101 southbound off-ramp
 - i. Close down the current 101 southbound on-ramp at Tefft.
 - ii. Extend the frontage road from the swap meet through to Tefft street using this current off ramp (this way the frontage road is continuous through town, the Vons center has another entrance and exit)
 - iii. Open a new off-ramp back around where the swap meet is.

Would this satisfy CalTrans – Dale Ramey

New Business

- 1) There are two 25 mph speed limit signs on Mesa between Osage and the greenhouses. Are these legal – Dale Ramey
- 2) Proposed speed humps on Los Flores – Michelle Olmsted
- 3) Consideration of an ordinance dealing with oversize and overweight vehicles – Dan Woodson
- 4) Esthetic treatments of Willow interchange – Dale Ramey
