SCAC 3/13/08 Traffic Committee Nipomo Area

Good Morning,

Here is a list of streets that need to be opened up to through traffic. These dead end streets have several problems. Number one is safety. Fire and ambulances are unable to get through or to turn around. Also, in an emergency, the evacuation flow of traffic is limited. Opening up these streets would improve the flow of traffic in general. Plans to take care of these might already be in process. If not, please consider these corrections.

Thank you

- a. Honey Grove from Southland to Story*
- b. Camino Caballo from Pomeroy to N. Frontage*
- c. N. Burton from Day to Bee*
- d. Crosby from Juniper to Camino Caballo*

6) Member comments - All

Next meeting: May 8th
