Traffic and Circulation Committee Meeting Thursday, May 11th at NCSD, 148 South Wilson 9:00 to 11:00 am

PRESENT: MARIANNE BUCKMEYER, PEGGY COX, VINCE MCCARTHY, DALE RAMEY, JIM TEFFT, JEANNE TAYLOR, AND DAVE WATSON

1 PRESENTATION, DISCUSSION AND ACCEPTANCE SOUTH COUNTY CAPITAL IMPROVEMENT PROJECT PRIORITIES.

Willow Road to Pomeroy, Priority 1, was construed to include the transition through Nestor's project, alignment from Pomeroy to 101, Frontage Road to Sandydale and the southbound on-ramp. Dale Ramey will get us a breakdown of the phasing.

Members were uncomfortable with the roundabout concept at SR166/101 junction.

Members felt that Los Berros Road (west of 101), Los Berros Road (east of 101) and Thompson Northbound on-ramps should be one project.

Committee agreed that the first seven projects were appropriate as top ranked projects for Area one and two, although it is understood that priorities may change as funding and construction opportunities change. Dale Ramey will get more up to date costs for us and Dave Watson will incorporate them into his spreadsheet.

There was some discussion about merging Areas one and two. This will be agendaized for the next meeting. Dale Ramey will check into the feasibility of this.

Concern was expressed about lack of detail in the GMO reference to South County Roads. Vince McCarthy will talk with Kim Murray about this.

2 COMMITTEE NAME CHANGE TO SOUTH COUNTY TRAFFIC AND CIRCULATION COMMITTEE.

Committee indicated that name change is construed as occurring by default. Official name is now *South County Traffic and Circulation Committee*.

Dale Ramey handed out copies of *Pass-by and Retail Fee Comparison* and *Halcyon Orientation and Destination Study*. These will be on the agenda for the next meeting.

3 NEXT MEETING ON MAY 18TH.
