

Minutes

Traffic and Circulation Committee Workshop Thursday, September 11th at NCSD, 148 South Wilson 9:00 to 11:00 am

Present: John Brantingham, Eugene Score

County: Ryan Chapman, Dale Ramey

Public: Jim Harrison, James Webb

The purpose of this workshop is to review the Circulation Study Update and road Impact fee changes.

Our goal is to make recommendations on approval, disapproval or changes to be presented to the SCAC at their September 22 meeting. Depending on the complexity of the issues this may take more than one meeting.

Ryan Chapman presented the *2008 Annual Update South County Circulation Study*. Draft copies of the report were given to committee members and the audience. Ryan highlighted the main points of the report and answered questions related to these points. The main point of contention was the increase in Area 2 retail fees from \$3,147 to \$4,381, a gain of 39%. After some discussion it was determined that more information, including rate comparisons with other municipalities, would be needed.

Motion by Gene Score seconded by John Brantingham requesting that Public Works return with more detailed cost information and a rate comparisons with other municipalities. Motion carried unanimously.

John Brantingham indicated he would discuss the fee structure at the next Economic Advisory Council meeting.

Ryan Chapman will forward a PDF copy of the *2008 Annual Update South County Circulation Study* to Dan Woodson so that this information can be emailed to SCAC, T&CC and other interested members of the community.

Dale Ramey requested that we present the results of our meeting at the next SCAC meeting.

Next meeting on September 25. This meeting will be solely for the purpose of discussing *2008 Annual Update South County Circulation Study*.
