Old Business

Public Comment:

Old Business

- 1) Status of Willow Road, Phase II project.

The project is on budget and on time. The contractor is currently working on the bottom of the bridge and may be pouring the northbound ramp in the next month.

- 2) Has the traffic study for the Community Clinic been completed and if so, what are the conclusions?

The report included a comprehensive intersection analysis and indicated that the increased traffic levels would not downgrade the current LOS at the Tejas/Tefft intersection or at the 101 interchange. A motion to recommend that SCAC approve the report and request that the developer be required to place a buss turnout along Tefft Street adjacent to the project was made by Jeanne Taylor and seconded by Clyde Cruise. Motion carried.

- 3) Have traffic light changes at Tefft and Mary been effective?

These signals are being reevaluated.

- 4) Proposed no parking zone on Southland near Honey Grove.

No longer being considered.

- 5) Roundabouts at Cienaga Street and Halcyon and SR 1 and Halcyon.

This will be covered in greater detail at the next meeting.

New Business

- 1) CCHC traffic study.

Discussed during old business.

- 2) Intersection operations at Willow and Pomeroy.

The intersection will be converted to an all way stop.

- 3) Are there any results from the recent traffic counts around Nipomo?

The counts are completed.

4) Paving degradation on Riverside Road below December blowout area?
Ryan Chapman will evaluate.

5) Legality of signing in Woodlands, on Sequoia and on Verano.

6) Ryan Chapman will evaluate.

7) What can be done to get basketball assemblies removed from a paved road.
Submit a list to Ryan Chapman.

8) Who is responsible for walkway maintenance on the East side of Division between Sequoia and Tyrus Court?
Ryan Chapman will determine responsibility.
