Public Comment:

Old Business

- 1) Nipomo Speed Limits Update.

This will not be available until the June meeting.

- 2) Status of Willow Road, Phase II project.

Under-freeway access is open. Work on drainage features continues. Some work on cut and fill slopes is ongoing. Panels for paved slope are being cast. Project appears to be on schedule.

New Business

- 3) Truck Traffic on Waypoint.

Highway Patrol had been notified. After completion of the Willow Road Project a truck route study will be done.

- 4) Line-of-site interference at Pomeroy and Waypoint.

Ryan Chapman will see if the obstructions are on the County right-of-way.

- 5) All way stop at Juniper and Mary.

Ryan will gather traffic data.

- 6) Handicap parking spot on Oak Glen and Grove.

Committee indicated that it would set an undesirable precedent. It was felt that with the cooperation of the residents that driveway space could be opened up for handicapped parking.
