Old Business

1. Intersections with obscured sight distance: status and update list.

These are being investigated. A few new problem intersections were pointed out.

2. Viva Update.

Mike Berry updated the committee. The request for considering the facility as a warehousing operation was denied by Code Compliance. A couple of days before thanksgiving 67 trucks were observed travelling Camino Caballo.

3. Status of traffic control at Mary at Juniper and at Hill.

Observations indicate that the threshold requirements for a stop sign at Mary and Juniper cannot be met. There is insufficient traffic to warrant an all way stop at Mary and Hill.

4. Request to change the stop signs to yield signs on the Black Lake Canyon Drive at the traffic circle in Knollwood.

Ryan Chapman Has not been able to talk to the HOA about this topic.

New Business

1. Signal timing at Tefft and Thompson.

A fault was found in the control circuitry.

2. Sight distance problem at Willow and Misty Glen.

Ryan Chapman will remove the 55 mph sign. This may slow traffic a little.

3. Need for warning light at Willow and Thompson.

Ryan will review the intersections for warning lights and night lighting.
