Old Business

Public Comment:

Old Business

1. Intersections with obscured sight distance: status and update list.

Ryan Chapman has sent a notice to the property owner at the corner of Verano and Schiffrar. Blake Lake residents are not aware of any internal intersection problems.

2. Viva Update.

Viva residents are getting in contact with an attorney to explore other legal options.

3. Status of request for limited parking in front of McDonalds.

This will probably go to the BOS in a couple of months.

4. Status of flashing signal light at Willow and Thompson.

There are a greater number of problems at Willow and Hettrick. Efforts for a flashing light may be directed to this location.

5. Request to change the stop signs to yield signs on the Black Lake Canyon Drive at the traffic circle in Knollwood.

Ryan Chapman has not been in contact with the HOA.

New Business

1. Request for new traffic counts Tefft near IOI to determine the effects of Willow Road Interchange and opening of CCHC. Eastbound, West of 101, April 2012 – 17,130; January 2013 – 13,455: Westbound, East of 101, April 2012 – 9,258; January 2013 – 8,038. The Willow Interchange appears to have reduced the traffic volume on Tefft. These figures do not include the traffic impacts caused by the new CCHC.

2. Is the speed limit sign on Camino Caballo west of Waypoint legitimate.

Ryan Chapman indicated that it is a County sign and on the sign inventory.
