Public comments

Old Business

- a) This has been brought up several times and there has been no resolution. There is a sight distance problem on the NE corner of Mary and Hill

Discussion postponed

- b) A-Frame signs are appearing on the walkway on the South side of the 600 block of Tefft. They were in the landscaped area adjacent to the walkway

This has been forwarded to development services.

New Business

- a. Pavement Management Report and local overlay projects.

Don Spagnolo made a very informative presentation on the County's Pavement Management Program. There was ample time for questions and those present have now been educated. The following FY 15/16 projects will be starting soon.

**FY 2015/16 Asphalt Concrete Overlay Project**

Road Name	From	To
