Public comments

Parking limits near McDonalds are still being considered.

A *No Parking* sign will be placed near the lift station in Galaxy Park.

A sign is down neat Camino Caballo and Osage

Old Business

a) Draft Circulation Study.

The study now includes North Frontage north of Sandysdale and the dirt portion of Hettrick

b) Public outreach for Division Street bike lanes (Orchard to Frontage): Outreach in past just need to refresh. Road will be overlaid and if parking is removed on one side can add bike lanes.

Public Works expects the survey to be returned by September 26. The results will be available at the next meeting.

c) Concerns about parking in the vicinity of Tejas and Tefft due to Dana School pickups and Health Clinic customers.

Public Works will look at traffic patterns

d) Results of Willow/Pomeroy and Thompson/Titan Way stoplight contract.

Low bidder was Wilson Construction at 573 K\$. Awaiting BOS award of contract.

New Business

a) Parking and littering problem on Vista Del Rio on race nights. Request for \$ 1,000 Fine for Littering sign.

Public Works will consider the request. Sign would be placed on westbound side of the street.
