Public comments: None

Old Business:

**1. South Tejas Traffic Circle Pilot Project – Public Works**

Mike Britton indicated that the resulting change accommodated a mere 24% of the vehicles decreased their speed after the traffic circle was installed. After 45 minutes of questions and answers Mike Britton indicated that due to the insignificant change in driving patterns and the fact that only 40% of the neighbors supported the concept the project would be dropped.

Due to lack of a quorum the remainder of the agenda will be discussed at a future date.

Next Meeting October 11, 2018
